ABOUT US

With decades of experience in the marine electrical and oil field industrial supply industry, experts have joined hands to commence a business venture to serve the latter industries under one roof. We introduce you to VectorFlow Valves Trading LLC.

At VectorFlow, we are exclusive stockiest and dealers of marine valves and fittings. We particularly stock DIN standard and JIS standard valves of various materials like cast iron, cast steel and bronze in special accordance with maritime utility. In addition to DIN and JIS valves, we also trade butterfly valves of different body materials, attachment types and rubber seats that may suit the purchasers in different situations. Moreover, other than valves, we also deal with flanges, elbows, hose and couplings.

Our vision for this firm is to provide unbeatable supply service to our customers with reasonable and negotiable price. Our extended group of companies, with their valuable expertise and professional wisdom in oilfield and maritime industries have served thousands of customers with fruitful results. Our mission is to organize the firm with state of the art dispatch and logistic solutions to provide the best of service to our customers.

BUTT - WELD FITTINGS SS & CS (ELBOW, TEE, REDUCER, CAPS)

HIGH PRESSURE FITTINGS **CS & SS**

COMPRESSION FITTINGS SS & BRASS

SCREWED FITTINGS GI & SS **& BRASS**

PIPES SS/CS (ERW / SEAMLESS)

FLANGES (JIS- 5K,10K, DIN -PN16, PN25, PN 40 ANSI=# 150, # 300, #600)

BRONZE THREADED FITTINGS

RUBBER EXPANSION JOINTS

Rubber bellows expansion joints, threaded and flanged connection Material- NBR, EPDM

STRAINERS & DRV VALVES

Y-PATTERN with threaded and flanged, Basket Strainer & DRV

STREAM TRAP, SINGLE AND DUAL PLATE, NRV, DCV
